Relation to PED: Annex I, Section 3.1.2	CABF Recommendation
Question:	Are the welding procedure qualification records certified by an organisation that is today a notified body or a recognized third-party organisation acceptable for the purpose of the qualification of permanent joining procedures even though the organisation was not a notified body or a recognized third-party organisation at the time of qualification ?
Answer:	Yes.
Reason:	This is the procedure that most conformity assessment bodies have adopted since 29.11.1999.
